ESL / EAL

ELI or Writing Program?

I want to:
* Reduce grammatical errors
* Understand U.S. paraphrasing and quoting conventions
* Have my writing “sound American”
* Focus on the writing PROCESS

English Language Institute

I struggle with producing papers that resemble those in my field:
Both!

I want to:
* Transform from a good to a better writer
* Be certain that my point is clear
* Workshop a specific idea or paper with a small group
* Focus on the writing PRODUCT

Writing Program

I would like an editor to fix a piece of my writing:
Neither! Unfortunately, there are no editing services available on campus. Visit the ELI website for a list of editors in Chicago working with international students: esl.uchicago.edu
